THE BOARD'S CORNER: DR. TROY MAUVAIS CHIROPRACTOR

Hello Orangevale Chamber members. I am delighted to write this month's article for The Board's Corner!

I have been a resident and active in the Orangevale business community for nearly ten years. A few years back, someone knocked on my door and asked me if I wanted to become a member of the Orangevale Chamber of Commerce. So I joined. Immediately, I took advantage of the opportunity to place a FREE flier in "The Juice" to advertise my business. This is the Chamber's monthly publication that is in your hands right now! Each new member is entitled to insert a flier in "The Juice" at no cost.

I also advertised my business at another Orangevale Chamber of Commerce forum. I began to attend the Thursday morning breakfast meetings at Denny's on Greenback. These meetings are completely FREE and allow Chamber members to get together and exchange business cards over breakfast, and ultimately, to do business with one another.

Then I held a mixer at my business. I scheduled it on the calendar. I bought some refreshments. I advertised the event. It was a great evening! (Since then, I have even co-sponsored a mixer with a neighboring business.)

Next, I filled out a Board Member application. Once a vacancy opened up, I was appointed to a position. I have been actively serving as a member of the Orangevale Chamber of Commerce Board of Directors for the past two years.

Why am I telling you all this? Well, let me tell you!

First of all, many business owners (and even some Chamber members) do not know about, or take advantage of the tremendous opportunities available to them in membership. So, I advise you to make the most of this organization and publicize the message of your business. Get the word out about your service or product as often as possible.

Secondly, do you remember how I joined The Chamber? I was asked! It is very atypical when, out of the blue, a business seeks out a Chamber and joins. It happens, but it's rare. More commonly businesses join because they have been invited. So, I implore you to invite a business, organization or even an individual, to join the Orangevale Chamber of Commerce. Opportunities are knocking.

Lastly, I suggest you utilize "The Juice" when you have a special discount or event. I encourage you to attend the next Thursday morning breakfast and pass along your business cards. Invite a guest or a business owner to the next mixer. If you don't ask 'em, they probably won't know what opportunities they could be missing.
