THE JUICE IS CHANGING IN SEPTEMBER 2009

The September, 2009 JUICE is changing and your responses to the change will be very important. If you like it and feel the changes are helpful to your business, we can even extend the changes to more pages. THEREFORE, HERE GOES:

Page 2 of the JUICE will be the COUPON PAGE

To start off we need the FIRST 10 businesses to send in their business card size coupons offering discounts of their services or etc. We are asking for business size coupons as currently the page will hold 10 of them.

Page 3 of the JUICE will be the ADVERTISING PAGE

To start off we need the FIRST 10 businesses to send in their Business card and we will reproduce them on page 3.

We are hoping that your card will attract business for you.

If this process goes well, we will eventually place individual pages in the Juice and be able to use both sides of a page.

REMEMBER, now we need to count on your business to provide the coupons and the business cards for this to work.

There is no denying the economy is not good and we want to help you in any way we can. Please respond to this new change by either calling the chamber and telling us your thoughts OR you can call me at home. (916) 989 - 0204

Any coupons or cards received over the number of 10 will be called and offered space in the October JUICE.

Thanks for reading

Alice, President 989-0204
Spokesperson for the Board
